

School Counseling & Guidance Office
Newsletter: Grades 8-11
City Honors School at FMP

JANUARY 2020

PSAT scores are now available. Students will receive their scores in their English classes. Scores can also be viewed electronically through www.collegeboard.org accounts.

New summer program opportunities (including Bank of America Student Leaders) are available. Visit the Guidance Office for more information and additional opportunities!

Early and diligent preparation for AP Exams can result in higher scoring and all the benefits that follow! Students can go on to www.collegeboard.org for test taking tips and to review past AP Exams. There are also several test preparation books available. It is suggested that students prepare six weeks prior to sitting for standardized exams.

Junior College Planning Kick-off Night will be held Wednesday, February 5th from 5:30- 7:00 PM. RSVP to (716) 816-4243.

Working Paper applications are available in the Guidance Office. Attendance and academics are reviewed before working papers are issued. Please allow a few days for the applications to be processed.

Are you between ages 10-14 and interested in ESports? Daemen College will host an ESports Day Camp over February break. Email Pat Ryan at pryan@daemen.edu or go to <https://www.eventbrite.com/e/esports-camp-tickets-84632276417> for more information.

The National College Fair will take place at the Buffalo Niagara Convention Center on the following dates:

Wednesday, March 18th - 9 AM to Noon and from 6 PM to 8:30 PM

Thursday, March 19th - 9 AM to Noon

Visit with over 200 colleges and attend free workshops. 60 Juniors will have the chance to attend on March 18th during the school day. Seats will be filled on a first-come basis. Sign up and pick up a permission slip in the Guidance Office.

School Counselors will be going into student classrooms soon to go over the scheduling process for the 2020-2021 school year. Scheduling forms will be due on February 7, 2020.

The Buffalo Educational Opportunity Center will be holding free SAT Prep classes. Please call (716)645-1868 for more information and to register.
