Dear CHS Parent:

You may have read a story in the *Buffalo News* this past Sunday regarding an ongoing labor matter between the teachers at City Honors School and the Buffalo Public Schools that could impact the size of our teaching force at the school. Please know that I understand and share your concerns. Over the past few years, our administrative team has worked tirelessly to expand our teaching staff, enhance quality of instruction and reduce class sizes.

I want to assure you that over the past two weeks I have witnessed positive efforts by both the Buffalo Teachers Federation and the Buffalo Public Schools to resolve this matter so that it does not impact our students. The parties are in regular discussions and I am doing my best to provide them with the information needed to arrive at a smart resolution.

I will keep you posted on any noteworthy developments in the weeks to come. Thank you for your patience as the parties work to arrive at a settlement in the best interest of our students.

Sincerely,

A handwritten signature in black ink that reads "William A. Kresse". The signature is fluid and cursive, written in a professional style.

William A. Kresse, Ph.D.
Principal
