NOVEMBER 2019

Scholarships are starting to come in to the Guidance Office! Stop down and check the scholarship drawer to see which ones you qualify for.

Need assistance filling out your child's FAFSA and/or TAP applications? Please contact the Counseling Office. We can arrange for someone to help you.

Please remember to make sure you submit a signed Educational Records Release Form if you have not done so already. We cannot send transcripts for colleges and scholarships without it.

The Say Yes application is now open! Make sure you have your FAFSA and TAP applications completed first. Go to sayyesbuffalo.org for more details!

If colleges are requesting your official standardized test scores to be sent from the testing agency, you must send them through your College Board or ACT account.

College Application Deadlines

If your college application has a deadline of January 1st, 2020, you must request your letters of recommendation and transcript from your teachers and counselor by December 10th, 2019 so they can be submitted before Winter Vacation.
