Be a part of the magnificent new City Honors School Campus!

*City Honors is a progressive and challenging grade 5-12 school
serving students from every neighborhood in the City of Buffalo*

**Due to the reconstruction project at our school building
all Testing Sessions will be held at the
Olmsted School at Kensington
319 Suffolk Avenue Buffalo 14215**

You do not need to register or apply ahead of time to take the test

Please arrive at City Honors by 8 AM the morning of the test

Testing will last until about 11:30 AM

Application information will be available the day of exams
from representatives of the BPS School Placement office

While students are testing, school officials will provide
an information session for families detailing the school and its programs

PLEASE NOTE:

It is strongly suggested students possess a minimum performance of Level 3 on both
the NYS Math and ELA Assessments prior to participating in this admission process

Families at schools that do not participate in NYS Assessments should consult with
their school counselor for standardized testing conversions
