

Pull Up A Chair!

You can make it happen!

Help furnish our brand new Mary V. Kiefer Library & Media Center.
Our students deserve a library that reflects their level of academic achievement.

The Schoolhouse Gallery, a WNY business specializing in the Roycroft tradition, has created a line of furniture that will both beautify the library/media center and incorporate a sense of local history and timelessness. Our new school will open in September and your help is needed! You can purchase one of the items listed below, individually or with a group. Or, you can contribute any amount you choose to a general fund that will be used to purchase these furnishings. All donations will make a difference and will be appreciated. No matter what you choose, every member of our CHS community - students, faculty, staff and parents - will benefit from a library atmosphere that fosters creativity and learning. Add your own special message on any piece listed below. Leave a lasting tribute to your CHS classmates, teammates or friends. Offer an inspiring message. Praise a child. Honor our faculty and staff. Create a memorial. Thank our school... and most importantly, help Pull Up A Chair!
