

Grade 7 Supply List

2010-2011 school year

*As of 6/15/10

For the purposes of organization, we try to color code (binders, folders) by subject area.

Social Studies RED
Math GREEN
Foreign Language PURPLE

Science BLUE
Technology BLACK
English YELLOW

7th grade English list: (Mrs. Shea, list subject to change for other teachers- please check website)

3-ring binder (1.5 inch preferred but 1" accepted) (yellow)
1 pk regular sized index cards (3x5)
pens and pencils (no gel pens)
college ruled paper
a set of 5 or 8 tab dividers
highlighters
3 prong folder for journals (yellow)

ACCELERATED MATHEMATICS Grade 7 (Ms. Yeostros)

9 (green) two-pocket folders with 3 clasps (plastic are more durable but not required)
We will use 1 folder for each connected math unit and one for final exam review materials. I plan to have the children set up each folder during the first week of school with paper, graph paper, text and other items needed for each unit. They will be stored in my room and returned each time we begin a new unit.

2 black and white composition notebooks
These will be used for class notes and journals. Two should be enough for the whole school year. (black and white notebooks with grid or lined paper, either is ok)

2 packages of lined paper
2 packages of quadrille graph paper
1 Scientific Calculator- needed for math AND science (any model is ok, most students should have one from sixth grade- preferred calculator Texas Instruments TI-30X IIS)

Please check my website during the summer for important news/review suggestions.
